

Arthur F. Smuck III

President and CEO, GENCO

Smuck was appointed as President and Chief Executive Officer of GENCO, A FedEx Company, headquartered in Pittsburgh, PA, in September 2015. As CEO he is responsible for leading the development and execution of GENCO business strategies, initiatives, and performance that ultimately provides customers with a comprehensive range of integrated logistics services to enable growth, minimize cost, mitigate supply chain risk, and improve customer service.

Smuck has served in numerous positions of increasing responsibility during his more than 30 years in the field of logistics and distribution. Most recently his roles within GENCO include Group President of Technology and Healthcare and GENCO Chief Operating Officer.

Prior to 2013, Smuck was President of ATC Logistics & Electronics (ATCLE), a wholly owned subsidiary of GENCO. Smuck joined ATCLE in 2001 as General Manager, Logistics, and was promoted to Vice President and General Manager of Carrier Services in 2003. He also served as Vice President and General Manager, OEM Operations.

Before joining ATCLE, Smuck worked for 18 years at Nestle Waters of North America in a range of roles that included North Texas Market Manager and Senior Organizational Development Consultant.

Smuck, his wife and children are natives of Chicago, with roots in Ft. Worth and Pittsburgh. Smuck is known for his strong connection to people, his ability to develop high-performance leadership teams, and his effectiveness in leading value creation for customers and shareholders.
